## CITY NEWS.

The Daily to the Country.  
Under our new system of mailing, patrons  
receive their papers with more promptness  
and certainty, and each paper contains, with  
the direction, a statement of the time to  
which the subscription is paid. This consi-

derable notification will enable all to keep  
posted as to the condition of their accounts,  
and they can, by remitting a little in advance,  
keep their paper going, without missing a  
single issue.

Thus far the system works admirably—  
papers go with perfect regularity and patrons  
(being constantly notified) remit promptly.  
It is the true system—better for patron and  
publisher—and we think they will all be glad  
we have adopted it.

We are authorized to state that there will be  
no postponement of the procession ordered  
by the Mayor for Friday, the 14th inst.

**NO SCHOOLS TO DAY.**—We learn from  
Superintendent Tingley that the public  
schools will be suspended to-day, the President  
of the School Board having given his  
consent.

**Council Proceedings.**  
Pursuant to adjournment both Boards of the  
General Council met at the City Hall, at 7 1/2  
o'clock, and were glad to see so large an  
attendance.

A message was read from the Mayor stating  
that he had ordered a procession of the Fire  
Department for 9 o'clock to-day, and invit-  
ing the Council to join in the same.

The Auditor's report for the month of Feb-  
ruary, 1865, shows the following as the re-  
ceipts and expenditures: Receipts \$90,019.75;  
expenditures \$144,764.03, making the receipts over  
the expenditures \$121,355.13.

A resolution was passed authorizing the  
Mayor to loan the funds of the city to the  
amount of \$100,000 for the benefit of the  
public schools, in accordance with an ordi-  
nance passed a short time since.

A number of ordinances were passed to re-  
grade, repair and repave the sidewalks of  
different streets.

A resolution was passed also awarding the  
police, for the month of March, amounts of  
\$3,115.80.

An ordinance was passed increasing the  
salary of the City Engineer to \$2,500 per year.

The Council meets again next Thursday  
evening, when they will go into joint session  
with the Board of Education, to consider the  
report of the Board of Education, and the

Theresa—To the young lady who sent us  
the magnificent bouquet, yesterday afternoon,  
we return our thanks and compliments. We  
admire her taste both in the selection of the  
flowers and the recipient.

**RECEIPTS.**—Two hundred and seven re-  
ceipts arrived here, yesterday, from Jackson,  
Michigan, and 60 arrived from Columbus,  
Ohio.

**LINCOLN'S LAST JOINT.**—Giving the faithful  
permit to buy cotton from rebels at  
eighty cents a pound and sell it to loyal men  
in New York at fifty cents.

It will be seen by reference to another  
column that Wm. J. Hays, Esq., announces  
himself a candidate for Congress in the Fourth  
Congressional District.

**VETERANS.**—Veterans who desire to enter  
the service in General Hancock's corps can do  
so at the office of Colonel G. W. Giss, on  
Seventh street, near Market.

A large lot of cotton was shipped to the  
East via Cincinnati, yesterday, on the St.  
Charles. She is a favorite in the People's  
Line to Cincinnati.

A large lot of Government hay was  
shipped out to the Government stables, yester-  
day, from the river.

One hundred guerrillas crossed Green  
river at Ashbyburg, a few days ago, going  
South.

**PASERS.**—Captain Folson is issuing passes  
for Nashville at his office, on Chestnut street,  
above Third.

Yesterday was a beautiful day. We  
hope the clerk of the weather has "a few more  
of the same sort left."

A flag staff was erected upon the  
Customhouse last evening. The flag will be  
unfurled from the masthead to-day.

The trial of Mr. Wm. Ridge and daughter,  
charged with harboring and aiding deserters  
to escape, has not taken place.

Four deserters arrived here, yesterday,  
from Nashville, and four from Indianapolis.

Three guerrillas (prisoners) were sent  
to Lexington, yesterday, under a heavy guard.

We are indebted to Hon. L. W. Powell  
for public notices.

See the advertisement of valuable gold  
bracket lost, in another column.

## INDIANA MILITARY AGENCY.

This well-known Agency was established in this  
city three years ago, by Governor O. P. Morton,  
of Indiana.  
The above Agency was the first office of the  
kind established in the United States, and  
soon after its establishment, Col. J. H. Jam  
was commissioned and put in charge of the same,  
not only to the soldier, but the citizen; and  
the friends of soldiers who have called upon  
the Colonel from time to time, and from  
month to month. They have always found him  
ready to assist them by giving them information  
and assistance in every way that was within  
his power.

From his long and arduous labors, we are  
sorry to learn he has very much impaired his  
health, and unless he gets rest and recreation,  
he will be compelled to resign. He leaves for  
Indianapolis to-day on a furlough, for the  
benefit of his health. The office, however,  
will still do its regular amount of business in  
his absence.

**SOLDIER KILLED.**—A soldier, named Wm.  
Cooper, who had been a rebel deserter, and  
was enlisted in the Third Ohio Regiment Vol-  
unteers, was accidentally shot and killed yester-  
day morning. He had wandered away from a  
lot of new recruits, who arrived here the  
night before from Columbus, Ohio, and when  
the guard found him, yesterday morning, he  
was in a saloon drunk. In taking him to the  
barracks he became stubborn, and when the  
guard was in the act of marching him with the  
bayonet of his gun, the trigger was caught by  
his coat and the gun discharged, the ball pass-  
ing through the right lung, killing him instan-  
taneously. His body was taken to the barracks,  
from which his funeral will take place.

**GOOD FRIDAY.**—To-day is Good Friday, the  
anniversary of the Crucifixion of the Saviour,  
so called in allusion to the benefits conferred  
on the world by His death. The Saxons  
named it "Long Friday," because of the pro-  
longed services on that day, and the Germans  
term it *Good Friday*, in remembrance of the  
sacred silence observed in the churches, or  
*Good Friday*, from an antiquated word sig-  
nifying penance. During the first two or  
three centuries of Christianity, it was called  
the "pasch," because then Christ, the paschal  
lamb, was slain.

**Amusements.**  
**LOVELL'S THEATRE.**—The great dramatic com-  
edian, Mr. Frank Brown, takes his weekly benefit  
to-night, which will be the last appearance but  
one of the comedy combination of his crew. The  
bill consists of "Two of the B'jorrs," "Slaves  
Twain," "Camille," and "Barbed Wire." In the  
first and third pieces, Mr. Brown appears, and in  
the second he is supported by a large and able  
cast of his co-actors, who have not been seen  
in his great burlesque of "Camille," which they  
should by all means attend to-night.

**WOOD'S THEATRE.**—The new and thrilling drama  
of the "Poor Girl," after a very successful run  
of three nights, has been laid aside, and in its  
stead the beautiful plays of the "White Slave"  
and "The Rough Diamond" will be produced for the benefit  
of Miss Mary Mitchell this evening. Miss Mitchell  
is an actress of great talent, and during her  
present engagement, as at all former ones,  
she has striven hard to please the public,  
and we hope our readers will bear that in mind,  
and give her a rousing farewell reception this  
evening.

**YANKEES.**—To-night Miss Minnie Clark takes  
her benefit at the Theatre, and the occasion be-  
lieved to be the last of her career. She has been  
remembered and liked by everybody.

**THE LOUISVILLE BALL CLUB** has been  
organized with the following officers:  
Alex. G. Booth, President.  
David L. Patterson, Vice President.  
Ben. L. McDougall, Secretary.  
Archib. Quarrier, Treasurer.  
Thomas J. Wood, Theodore Tracy, John  
Greay, Directors.

The Club will begin their game during the  
coming week near the grounds of the old  
Phoenix Club, on the Park Barracks road.

**HURT.**—Yesterday, while some painters were  
drawing up a swinging ladder, at the new  
People's Bank, corner of Second and Main, a  
heavy board slipped off the ladder and fell  
upon Mr. Brennan, who was assisting below  
in raising the ladder. He was dangerously cut  
upon the head, and taken home in a critical  
condition.

**ACCIDENT.**—A man, whose name we were  
unable to learn, in attempting to jump out of  
the rear of the L. & E. R. R. fell in front of  
the car, which passed over his left arm, man-  
gling it to such an extent that he was com-  
pelled to leave it unattended near the elbow.

**ROW.**—A row occurred last night, on Ham-  
cock street, between a party of drunken men  
and a number of prostitutes, which resulted  
in some of the party being badly hurt. Three  
men and two women were arrested and lodged  
in jail.

**WE LEARN** that the Major Walker Taylor,  
Captain Madison Taylor, and nine Confederates  
passed through West Point, Kentucky, day  
before yesterday. They reported that they  
had been within three miles of the city the  
night previous.

**BARBARES NO. 1.**—Seventy-five convales-  
cents were received at the barracks yesterday;  
236 men were sent to Nashville, 62 to  
New York, 45 to Washington, 20 to Cairo  
and 15 to Lexington.

**THANKS.**—To the young lady who sent us  
the magnificent bouquet, yesterday afternoon,  
we return our thanks and compliments. We  
admire her taste both in the selection of the  
flowers and the recipient.

**RECEIPTS.**—Two hundred and seven re-

himself a candidate for Congress in the Fourth  
Congressional District.

the service in General Hancock's corps can do  
so at the office of Colonel G. W. Giss, on  
Seventh street, near Market.

river at Ashbyburg, a few days ago, going  
South.

**PASERS.**—Captain Folson is issuing passes  
for Nashville at his office, on Chestnut street,  
above Third.

Yesterday was a beautiful day. We  
hope the clerk of the weather has "a few more  
of the same sort left."

A flag staff was erected upon the  
Customhouse last evening. The flag will be  
unfurled from the masthead to-day.

The trial of Mr. Wm. Ridge and daughter,  
charged with harboring and aiding deserters  
to escape, has not taken place.

Four deserters arrived here, yesterday,  
from Nashville, and four from Indianapolis.

Three guerrillas (prisoners) were sent

## PROSPECT OF PEACE.

**Procession of the Fire Department.**  
The day of the procession, which was moved  
upward of the 14th inst., is now the 14th inst.,  
and the prospect of peace, peace, and the raising  
of the "old flag" on Fort Sumter, by the  
Union Army, on Friday, the 14th inst., is  
therefore, in order to celebrate the occasion,  
have ordered a procession of the city officers,  
and all other citizens who choose to join.

**ROUTE OF PROCESSION.**  
The procession will form on Jefferson street,  
the right on Fifth, extending eastward, and  
moving down Jefferson street, to Fifth street,  
then down Fifth street, to Market street, and  
up Market to Eleventh street, down Eleventh  
street, up Main to Jackson street, down  
Jackson to Walnut street, down Walnut to  
Preston street, down Preston to Chestnut street,  
down Chestnut to Eighth street, down Eighth  
to Broadway, up Broadway to Second street,  
down Second to Walnut street, down Walnut

A. M., and move rapidly at ten o'clock, at  
which time the flag will be raised, and  
all citizens are respectfully requested to  
illuminate the Friday night.

**MAYOR'S OFFICE, April 13, 1865.**  
To T. S. Bell, Edgar Neidham, A. J. Ballard and  
others:  
GENTLEMEN: Your communication of this  
date has just been received. In reply I beg to  
say that in view of all the circumstances I do  
not feel at liberty to make the change you  
suggest.

While I feel indisposed to do violence to  
your thought or deed, to the religious senti-  
ments of any one, yet the facts remain the  
same. The rebels compelled Major Anderson  
to lower the flag from Fort Sumter, and the  
President has ordered that the fourth an-  
niversary of that day shall be duly and properly  
celebrated on the 14th inst., by a procession  
of the old flag on the battered ruins—and  
has not made any change in the day ap-  
pointed. That this anniversary shall fall on  
Good Friday may be considered unfortunate;  
but I trust that all who religiously keep the  
day of Good Friday will not allow the pro-  
cession to disturb their devotions, but on the con-  
trary that they will the more earnestly par-  
ticipate in the religious observance, and thus  
suffered on that day, peace may be more  
speedily be restored to our distracted land.

Very respectfully,  
WM. KATE, Mayor.

**NOGRER VS. NOGRER.**—There was a lively  
skirmish among a lot of negroes up town  
yesterday afternoon, whose political views  
did not seem to run in the same channel.  
We reached on the field long enough to hear  
one of them proclaim in a voice of thunder  
"G'way from 'negr' head. I ain' gwine to let  
no Abolition nigras do ober I swing whip  
diddle o' mine. You heard me? If I a slave  
tickle me as good as any freed nigger I a  
seed."—Nobody hurt.

**COMMISSION MERCHANTS.**—NEW YORK.  
We publish in the advertising column of the  
Democrat the card of Messrs. Marrell, Caruth  
& Co., Commission Merchants, No. 116 Pearl  
street, New York. The members of this firm  
well known to the business men of the  
Louisville and Kentucky generally.

Those who have need of commission mer-  
chants in New York cannot trust the business  
to safer hands.

**DESIRED RESIDENCE AND FURNITURE FOR  
SALE.**—The residence of Mr. C. K. Fairfax and  
furniture are offered for sale. If not sold by  
Saturday, the 22d inst., will be disposed  
of at auction. This house is very complete,  
with all modern improvements, on a lot 45 by  
165 feet. Read advertisement for further par-  
ticulars.

**MILITARY COMMISSION.**—The continued  
case of Frank Manning, guerrilla, was brought be-  
fore the military commission yesterday morn-  
ing. The final argument in his case will be  
made this morning at 10 o'clock. Henry  
Metcalfe's case will also be brought up this  
morning. He is charged with being a guerrilla.

**SICK AND WOUNDED.**—The Jennie Hopkins  
left for Pittsburgh last evening with one hun-  
dred sick and wounded soldiers on board from  
the hospitals in this city and at Pittsburgh.  
They are going to their homes at different  
points along the river.

**MERCHANT TAILOR.**—We invite the attention  
of our readers and especially of the  
advertisers of Mr. J. H. Montgomery,  
merchant tailor, in another column. He is a  
clever gentleman and cuts clothes to suit  
every fashionable gentleman.

**RAILROAD ACCIDENT.**—Night before last  
a stock train ran off the track on the Nashville  
railroad, five miles below Bowlinggreen. A  
car load of cattle and one of mules were killed.  
Several cars were smashed up. The accident  
was caused by a broken rail.

**OUTLAW.**—One person took the oath of al-  
leghiance, yesterday, at the Provost Marshall's  
office. His name was LEMUEL KING, from  
Ballou, Miss., Ky., and was a deserter from  
the rebel army.

**Gen. Palmer,** the commander of Ken-  
tucky, has ordered that hereafter so many  
guerrillas shall be executed publicly. Here-  
after all persons sentenced to death will be  
executed publicly.

**JESSE.**—We suppose Jesse has not had time  
to consider the matter of surrendering on the  
"Lee principle," as Buckley, at last accounts,  
was chasing him through Owen county at a  
lively rate.

**Mr. C. C. Spencer** requests us to say  
that his regular weekly sale of furniture for  
cash will take place on Saturday, the 15th  
inst., instead of Friday, as heretofore. Buyers  
will bear this in mind.

**WE STEPPED** into the guardhouse at  
Bowlinggreen, Ky., yesterday, and saw  
about thirty prisoners. They were all in a  
quiet. There was a large number of prison-  
ers who are doing nothing. We were  
permitted to stop out again.

**UNCLE TOM'S CABIN.**—Mr. W. H. Partello  
will have a complimentary benefit tendered  
him at Wood's Theatre to-morrow night.  
Uncle Tom's Cabin will be produced. Let the  
house be filled.

**Business** was rather dull everywhere,  
yesterday. Military matters were dull at all  
the headquarters in the city.

**See advertisement** of horses stolen.  
Seventy-five dollars reward is offered for their  
return, as Moody & Young's stable.

A batch of rebel prisoners arrived  
from Nashville yesterday afternoon, and were  
incarcerated in the Military Prison.

**Mr. J. H. West,** Adams Express Com-  
pany messenger, has our thanks for Nashville  
papers of yesterday.

**CITIZEN KILLED** BY HOME GUARDS.—On  
Wednesday Mr. Felix Noll and a Mr. Jackson,  
two very good citizens, rode on horseback to  
visit a short distance of Loretto station.  
Here they tied their horses, walked down into  
the town, transacted their business and re-  
turned to their horses, accompanied by a  
friend of theirs—Mr. Grant, a very worthy and  
respectable citizen of that place. They had  
nearly reached the spot where their horses  
were tethered, when a party of Home Guards came  
upon them, and commenced firing at them.  
Mr. Grant threw up his hands to tell them  
of the mistake, but they kept on firing until  
they shot and instantly killed Mr. Grant; the  
ball entering his face and coming out at the  
back of his head. The party then rode up  
and Noll was arrested but afterwards re-  
leased. The only excuse they gave for killing  
Grant was that they were drunk. We did not  
learn who commanded the men, but they were  
seventy of them, divided into two com-  
panies. The Federal Home Guards are get-  
ting to be so bad in this State as guerrillas.

**Mr. J. M. Leak** had one of his arms blown  
off, on Monday last, at Greenville, Tenn., by  
the premature discharge of a gun. He is  
suffering in great pain.

**JOHN HAMMICK** got into a row with a Ken-  
tuckian named Freeman, on Friday last, at  
Greensboro, and shot him in the breast, in-  
flicting a serious though not fatal wound.

**A NOTORIOUS GUERRILLA CAPTURED** AND  
SENTENCED TO DEATH.—FERRIS HARRISON,  
a noted leader of a band of guerrillas, was cap-  
tured at Pulaski a few days ago by Colonel W. S.  
Gillmore, whose plantation was visited by  
Harrison's band, and who were then ordered  
to furnish Undertakers with their bodies, by  
calling at the house of Third and Jefferson streets.

**JOHN OWEN.**

**A HINT TO BOTH SEXES.**—How to Gain and  
Retain Affection.—It has frequently been sug-

the affection of a woman is to be kind and  
gentle to her. "The Girl of the Year," in  
other words, is the woman who is kind and

**GOLD-BEARING BONDS.**  
These bonds are worth a premium which increases the  
actual profit on the 7-10 loan, and the EXEMPTION FROM  
STATE AND MUNICIPAL TAXATION ARISE FROM THE FACT  
THAT THEY ARE NOT, ACCORDING TO THE LAWS OF THIS  
STATE, CONSIDERED AS REAL ESTATE, BUT AS PERSONAL  
PROPERTY. The interest is payable in currency semi-annually  
by coupons attached to each note, which may be paid  
at will and at any bank or banker.

Now offered by the Government, and it is confidently  
expected that its superior advantages will make it the  
most popular of all loans.

**Great Popular Loan of the People.**  
Less than \$500,000,000 of the Loan authorized by the  
last Congress are now on the market. This amount, at  
the rate at which it is being absorbed, will all be ab-  
sorbed within four months, when the notes will not  
doubtfully command a premium, as has uniformly been  
the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of  
the country may be afforded facilities for taking the  
Loan, the National Bank, State Banks, and Private  
Banks throughout the country have generally agreed to  
receive subscriptions at par. Subscribers will select  
their own agents, in whom they have confidence, and  
who only are to be responsible for the delivery of the  
notes for which they receive orders.

generally can walk up stairs, feeling satisfied  
that both style and prices will be reasonable.
